PRISON ISLAND TOUR

The island lies just off the Old Stone Town, it is also a home to giant land tortoises that were imported from Seychelles in the late 19th century. Now it is more commonly known as a home of Zanzibar's Giant Aldabran Tortoise colony, some of which are over a hundred years old. Once on the island, you have the opportunity to feed and pet the tortoises; if you have time you may also like to take a stroll through the forested interior where you will see a wide variety of birds, colorful peacocks. It is fringed with a beautiful coral reef, ideal for snorkeling, and has a lovely white beach for sunbathing.

The most popular dolphin spotting location in Zanzibar is in Kizimkazi village located on the Southern coast of Zanzibar Island where you can see both bottle-nose and humpback dolphins. Several bottle-nose dolphins stay at Kizimkazi all year-round.

There are also rather shy humpback dolphins that put in an appearance here, although their schedule is a little more erratic. Dolphin tour is best very early in the morning, because in the afternoon as the sun rises sea water tends to become warm, therefore dolphins dive deep down the sea bottom to escape heat, for the guests who stay in Stone town hotel, we pick them up from their hotels at 06:00am and 05:00am from beach hotels. This is a guided trip and private transfers to and from Hotel, we intend to make our clients more comfortable and more free.

SAFARI BLUE TOUR

Safari Blue starts from the village of Fumba. Fumba is the most convenient location for exploring the wildlife, isolated sandbanks and rugged island scenery of the Menai Bay Conservation Area. This trip starts from the village of Fumba in South West Zanzibar and we will take you to see the dolphins, and banks, islands and coral reefs of Menai Bay, a beautiful conservation area. In the morning we set down on one of the beautiful sandbanks where one can relax, swim or snorkel. There are plenty of good quality snorkeling equipment and the experienced snorkeling guides will show you the pristine coral reef, which teems with tropical sea life. Instruction is also available for beginners, fresh coconuts and local snacks are available throughout the day. This tour includes Lunch of a delicious Zanzibar seafood lunch with grilled fish and slipper lobster.
